**RE: PRICE AND VOLUME QUERY**

I refer to your letter dated 17 December 2007 in relation to the recent change in price of the Company's securities and respond as follows in line with the number of your letter.

1. The Company is not aware of any information concerning it, that has not been announced and which, if known, could be an explanation for recent trading in the securities of the Company;
2. Not applicable.
3. There is no other explanation that the Company has for the price change and increase in volume in the securities of the Company
4. I further confirm that the Company is in compliance with the ASX Listing Rules and, in particular, Listing Rule 3.1.

Yours Faithfully

**Peter Landau**

**Executive Director/Company Secretary**

Listing rule 3.1 requires an entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities. The exceptions to this requirement are set out in the rule.

In responding to this letter you should consult listing rule 3.1 and the guidance note titled "Continuous disclosure: listing rule 3.1".

If the information requested by this letter is information required to be given to ASX under listing rule 3.1 your obligation is to disclose the information immediately.

Your responsibility under listing rule 3.1 is not confined to, or necessarily satisfied by, answering the questions set out in this letter.

### Trading halt

If you are unable to respond by the time requested, or if the answer to question 1 is yes and an announcement cannot be made immediately, you should consider a request for a trading halt in the company's securities. As set out in listing rule 17.1 and the guidance note titled "Trading halts" we may grant a trading halt at your request. We may require the request to be in writing. We are not required to act on your request. You must tell us each of the following.

- The reasons for the trading halt.
- How long you want the trading halt to last.
- The event you expect to happen that will end the trading halt.
- That you are not aware of any reason why the trading halt should not be granted.
- Any other information necessary to inform the market about the trading halt, or that we ask for.

The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. If a trading halt is requested and granted and you are still unable to reply to this letter before the commencement of trading, suspension from quotation would normally be imposed by us from the commencement of trading if not previously requested by you. The same applies if you have requested a trading halt because you are unable to release information to the market, and are still unable to do so before the commencement of trading.

If you have any queries regarding any of the above, please let me know.

Yours faithfully,

  
Jill Hewitt  
Issuers Adviser (Perth)
